MIDDLE EAST MEDIEVALISTS

About

Middle East Medievalists (MEM) is an international professional non-profit association of scholars interested in the study of the Islamic lands of the Middle East during the medieval period (defined roughly as 500-1500 C.E.). MEM officially came into existence on 15 November 1989 at its first annual meeting, held in Toronto. It is a non-profit organization incorporated in the state of Illinois. MEM has two primary goals: to increase the representation of medieval scholarship at scholarly meetings in North America and elsewhere by co-sponsoring panels; and to foster communication among individuals and organizations with an interest in the study of the medieval Middle East. As part of its effort to promote scholarship and facilitate communication among its members, MEM publishes al-ʿUṣūr al-Wuṣṭā (The Journal of Middle East Medievalists).
